### THEY'RE OFF AT LEXINGTON

#### Brilliant Opening of Kentucky Association Fall Meeting.

#### King Gorin Defeats Midway in Main Race of Day—Closes Finishes Feature Racing.

(By J. L. Dempsey.)

Lexington, Ky., September 12.—Kentucky's fall racing was ushered in this afternoon over the Lexington track, with an attendance that filled every available vantage point of the plant and among the spectators were persons prominent in business, political, social and the turf world. A better setting for the sport and an auspicious opening could not be imagined, resulting in interesting and immensely enjoyed sport.

The contests in the different dashes were hard fought from the barrier rise and finishes in most instances were of the variety that left room for doubt as to the winner, until the official placing was displayed. Secretary Shelley's effort to bring out the better grade of horses at the course was fruitful and the starters in most of the races were of the star variety.

The principal race, the Phoenix Hotel Handicap, at a mile and a sixteenth, developed an upset through the defeat of J. W. Parish's Midway. He was regarded with high favor and flattered extensively for three-quarters, but tired and fell back to finish in third place. The winner turned up in this year's Kentucky Handicap victor King Gorin, which conceding actual weight to the others, scored in decisive fashion over the neglected Sands of Pleasure. King Gorin was ridden by Mack Garner, who is now under contract to R. L. Baker.

He waited with his mount until over the trying hill, but once straightened away for the stretch sprint, moved down his opponents in game style and had plenty of speed in reserve at the end. Midway's showing was disappointing, for he retired in unexpected fashion, apparently when he was going under restraint, but came again near the end to outstay Syrian for third place.

The sport began with a sterling victory for E. R. Bradley's crack Blind Bargue over some highly tried ones, that included Marion Goosby and Pan Zareta. During the early racing he gave his backers considerable concern by his failure to display his accustomed high speed, but he gained steadily in the stretch and won from Marion Goosby in the last sixteenth.

Trainer J. C. Milam uncovered a crack in Senator Johnson N. Camden's first-time starter, Everest, which won as his rider pleased from eleven other maiden colts starting in the fifth race. Sedan furnished an upset when he took the measure of Squealer in the sixth and the closing dash also was productive of an overthrow by the success of Valor, which beat Cheer Leader after a hard drive. Jockeys Andrews and Shilling were each suspended for a period of three days by the starter for disobedience at the post.

#### CANDIDATES FOR BREEDERS' FUTURITY.

Track superintendent James P. Ross was advised by telegram this afternoon from trainer Max Hirsch that Pamp and Escobar had been loaded and were now en route here to engage in the Breeders' Futurity on the closing day of this meeting. Col. W. E. Applegate, who is here also, stated that after his start tomorrow, Jack Hare Jr. would be shipped here also to fill his Futurity engagement. Trainer Ed Moore also announced his intention this afternoon to send Hollinger to the post in the Futurity. The latter is a half-brother to Horton and is owned by D. Raymond of Nashville.

John Hachmeister came over from Louisville to witness the opening. He reports that the request for stabling room at Douglas Park has exceeded capacity at this plant and superintendent Nolte is at his wits ends how to take care of the applicants.

P. M. Civill has arranged to take up the four horses he had turned out and will begin their training with a view to campaigning them next winter.

H. Neusteter was among the arrivals today from St. Louis with his horses. Jockey Bolton accompanied the stable.

E. C. Crockett's four horses came this morning from Louisville.

#### KENTUCKY RACING COMMISSION MEETS

Lexington, Ky., September 12.—The Kentucky State Racing Commission, with the chairman, Thomas Hart Talbot, presiding, and Gen. W. B. Haldeman and Judge Allie W. Young also present, met here today as per adjournment on July 4, at Latonia.

President Harvey Meyers and General Manager John Hachmeister of the Latonia Jockey Club, were also at the meeting. No action was taken on pending rules.

Tom Brown, who was ruled off at Louisville in the spring of 1916 in connection with alleged attempt to corrupt jockeys riding at Douglas Park, was reinstated.

The commission voted that in the future the sale of pari-mutuel tickets cease with the dropping of the barrier.

The following licenses were granted: Trainers—D. S. Fountain, H. R. Brandt, A. L. Austin, R. S. Darling, C. E. Brown, W. F. Taylor, J. C. Kirkpatrick, J. M. Stowe, F. Smith, L. J. Kuss, J. J. Quinlan, W. E. Scott, G. V. Barnes and J. G. Arvin.

Jockeys—R. Harrington, F. Merimee, J. Dreyer, J. Adams.

Apprentices—C. Rogers, W. Beardshall, H. J. Burke.

### STARGAZER WINS THE MANHATTAN

Meteorite a Hot Favorite, but Runs Unplaced—Aileen O. Scores in the Opening Dash.

New York, September 12.—Conditions were much more agreeable at Belmont Park this afternoon for the enjoyment of outdoor sport than during the preceding two days. The patronage was in keeping with the improved state of the weather, which was ideal for racing. The Manhattan Handicap of \$1,000 added, which served as the day's headliner, went to the credit of the Macomber stable, when Stargazer outfinished J. E. Widener's Chiclet, after the two had dominated the running throughout. John Sanford's Meteorite was installed first choice for the race, on the strength of his series of successes in four preceding starts, but was unable to cope with the stronger opposition to which he attempted to concede weight and the finish found him unplaced in spite of jockey Robinson's energetic efforts to improve his position in the stretch, where he moved up in the forward contention, after having been outpaced in the earlier running.

In the opening race which was for two-year-olds fillies, the apprentice rider J. Wessler, demonstrated that he is a promising saddle prospect by the manner in which he piloted J. J. Moran's Aileen O. to a well earned victory over Wood Violet, for which there had been staunch support. It was only a day or two ago that Wessler rode his first winning race on First Ballot.

The scratching of Florida left only J. E. Widener's French-bred Jumper Plaisir D'Amour and Samuel Willet's Peg O' My Heart to contest the steeplechase. The latter fell in front of the clubhouse in the first turn of the field, just as the Widener standard bearer moved up to her. Her rider escaped serious injury although temporarily knocked out. Plaisir D'Amour is a fine looking horse and may develop into a good jumper. He fenced poorly in the early part of today's race but improved as the race progressed and was going well when his only opponent was eliminated, he is said to be one of the best jumping prospects in the powerful Widener Stable. He went wrong last spring after showing up well in his preliminary training and only now has trainer J. Howard Lewis, who is one of the most skillful of the steeplechase trainers been able to get him back to the races.

August Belmont's good filly Masda was held in esteem for the two-year-old allowance race, but Fragonard, admirably ridden by J. Loftus, took her measure at the end of a well sustained drive after she had obtained a long early lead.

Jockey Petz had his troubles again today on Lady Little. She acted badly, throwing him over her head in one of her bucking whims. Two days ago Nashville had him down a half dozen times. Petz now has a reputation for gameness of one hundred per cent.

### HAVRE DE GRACE MEETING PROSPERING

Onico Beaten by Indian Arrow—Assume Wins in a Canter—Gossip of the Track.

Havre de Grace, Md., September 12.—Weather conditions continued exquisite for the racing at the Havre de Grace course this afternoon and, coupled with a well arranged program for the second day of the fall meeting, attracted an excellent mid-week throng to the Harford County track. While there was little of good class among the contestants, the fields were evenly matched and the majority of the races furnished exciting contests. A good band of favorites was in evidence in the race, an event which brought about the downfall of J. M. Zimmerman's speedy filly Onico, a strongly supported public choice. This miss was making her first appearance since the spring meeting at Jamaica and showed a smart performance, only succumbing to Grant Hugh Browne's African Arrow in the final strides. The Zimmerman filly, used as if best, however, away somewhat slowly, she was quickly rushed to the front and too much used in setting a fast pace. The race should fit her for better things.

G. A. Marshall's recent purchase Assume displayed a speedy effort in the maiden race, racing the five and a half furlongs in 1:30, to win pulled up from Emden, causing a "good thing."

George Odum reports the Brighton Stable's star St. Isidore, which sported silk in the Old Bay Handicap yesterday, came out of that race with a badly bruised foot. The injury had improved a little today, but it is extremely doubtful if he will face the starter before the Laurel meeting.

Before the races this afternoon, Richard Carman brought out Wilfred Via's good three-year-old Omar Khayyam and sent him a mile and a quarter the reverse way of the races, his final preparation for the Realization. A good-sized exercise boy was up and he carried 120 pounds. The fractional time was 13<sup>1</sup>/<sub>2</sub>, 25<sup>1</sup>/<sub>2</sub>, 38<sup>1</sup>/<sub>2</sub>, 51, 1:03<sup>1</sup>/<sub>2</sub>, 1:16<sup>1</sup>/<sub>2</sub>, 1:29<sup>1</sup>/<sub>2</sub>, 1:42, 1:56, 2:08. Arrangements were made to ship the horse to Belmont Park this afternoon.

Another Canadian owner arrived this afternoon, when Sol Mintz got in with his stable from Hamilton. He reports that several more owners will be here as soon as they are able to secure cars.

James O'Hara, who was a visitor at Havre de Grace yesterday, instructed Joseph McLennan to compile conditions for six stakes for the fall meeting at Bowie. Each of these events will have \$1,000 added.

Four claims were put in for Assume after his victory in the fourth race and he was awarded to J. O. Burtiswell for \$1,130. The other claimants were J. W. Williams, W. R. Mizell and W. A. Carter.

### BROAD ADDITIONS TO TIJUANA PLANT

Sufficient Land Bought to Raise Hay and Oats for a Thousand Horses.

In a letter just received from San Diego, Cal., Manager J. W. Coffroth says of affairs at Tijuana: "Am leaving San Diego for Reno today, having come from San Francisco here and spent three days looking over projected improvements at the track and those now going on. For the last month we have been laying out something like 2,600 trees, lawns, flower beds, palms and everything else to make a charming vista. Besides, have bought an additional 800 acres which, with 700 belonging to the association, will be sufficient to grow feed for 1,000 horses for more than 100 days. One thousand acres will be used in hay, insuring more than 1,000 tons, and 500 acres in oats, which will produce enough oats and straw for bedding for the number of horses above mentioned.

"At this date we have reservations already for 590 stalls. Everyone is optimistic here and people look for San Diego to have the greatest winter in its history. Within a few miles of the town the Linda Vista Training Camp is now being prepared to receive 40,000 soldiers during the next six weeks. Besides these, the forts and aviation field have an additional 15,000. It is expected that the families of more than half of these men will be here continually."
